## **IntrinXec Management Adds FSC to List of Clients**

March 20, 2008 (Minneapolis, Minnesota) - IntrinXec Management Inc., a Minneapolis-based association management company, has been hired by the Forest Stewardship Council (FSC) United States Chapter.

FSC was created to change the dialogue about and the practice of sustainable forestry worldwide. With national offices in more than 40 countries, FSC is a global network of education and awareness efforts. The United States chapter of FSC was established in 1995 in Washington, D.C.

IntrinXec will provide FSC with accounting services and financial guidance to help ensure the organization meets its short-term and long-term goals.

IntrinXec ensures the success of client events, membership growth and communications processes by providing organized and detailed management, efficient processes, strategic leadership and exceptional customer service. Dedicated to enhancing the professional image of its clients, IntrinXec is accredited by the AMC Institute.
