

ABOUT THE SPEAKER

*Julie Miller*

Julie Miller has been inspiring children, youth and women as a speaker and author for over 20 years. She was Director of Women's Bible Studies and teacher at Eagle Brook Church for ten years. She is the owner of Heart Matters, a company dedicated to publishing material that awakens and draws hearts close to God. Julie draws on her wide range of life experiences, humor, and love of God's Word and His creation for her writing. When she is not writing, you will find her absorbed in a good book or putting in her garden. Julie and her husband, Rey, live in White Bear Lake, Minnesota, and are the parents of two grown sons, Erik and Kyle.

**"Be still and know that I am God."** (Psalm 46:10) — It's a Scripture that's familiar to most of us... precious to us, even... but, not one we easily live out. We have places to go, people to meet, and business to do. The alarm clock rings and we hit the floor running. We fill every waking moment scurrying in three different directions, making the most of every single minute. Even taking walks these days has morphed into exercise... no more leisurely strolls for us... we speed walk! For all the time we spend scheduling our calendars and uploading our PDAs, somehow we still seem to be forever running late. Between our jobs, our children's schedules, church committee meetings, and the like, there is very little time to be still and know God. **Julie Miller**, author of *Glimpses of God: Simple yet amazing ways God reveals himself to us*, **will share her heart about the value of carving out time to listen for the still small voice of God whispering His love for each one of us.**
