Job Seekers Invited to Manufacturing Job Fair
Manufacturers from nine-county area to exhibit at job fair in Mankato

Minneapolis — Manufacturing companies in the nine-county area of Blue Earth, Brown, Faribault, Le Sueur, Martin, Nicollet, Sibley, Waseca and Watonwan counties will participate in a manufacturing job fair on Tuesday, October 25. The fair, held at the Verizon Wireless Center in Mankato, MN is from 2 p.m. – 7 p.m. There is no registration or fee for job seekers who attend.

Manufacturing companies seeking highly skilled workers will be present to accept resumes and speak with job seekers about the qualifications needed to obtain a career in manufacturing.

Manufacturing continues to be the backbone of Minnesota’s economy. Representing one in seven jobs, Minnesota has over 300,000 manufacturing jobs statewide. Additionally, manufacturing has the second largest payroll of any business sector in the state. (www.positivelyminnesota.com)

“Manufacturing is growing in Minnesota, and there are jobs to be found,” said Jaime Nolan, Executive Director of the Minnesota Precision Manufacturing Association (MPMA). “Jobs are available and the skilled workforce is ready. We’re just trying to help them connect with each other more easily.”

If your company has current job openings, or is thinking of increasing your workforce in the future, please consider exhibiting. Exhibitors can register for the event by visiting the Upcoming Events page on the MPMA web site at www.mpma.com .

For more information on this event or how your company can participate please contact Rachel England at rachel@mpma.com or call 952.564.3041.
